Out of **MEMBER SLOTS** is a limited share. **LIFETIME NIGHTS** program. It is a **NIGHTS / YEAR** cooperative — a **PER MONTH** hosted families who own a single, lifetime resort asset and share it at true wholesale cost.

The club owns a fixed-night contract at the **Wyndham Grand Cancun All-Inclusive Resort & Villas** — one of the Mexican Caribbean's premier Gran Tourism properties, nestled between the turquoise sea and the secluded Nichupte Lagoon. With 350 smoke-free rooms and villas, each offering private balcony views of the ocean or lagoon, this is a destination that speaks for itself.

Membership is strictly limited to **10 active accounts**. If you are reading this brochure, you have been personally invited.

THE COOPERATIVE MODEL

How It Works

Two simple concepts power everything. No jargon, no fine print — just a smart, friendly system built on trust.

■ THE TRAVEL NIGHT BANK

Think of the club's contract as a shared bank account — but instead of dollars, it holds **140 lifetime resort nights**. Every year, roughly **14 nights** become available to the group.

Because every stay requires at least 2 members sharing a Studio suite, those 14 nights stretch into **4+ group trips per year** — meaning all 10 members can realistically get a vacation every single year.

■ YOUR PERSONAL TRAVEL PIGGY BANK

Each member contributes **\$50 per month (\$600 per year)** through a simple auto-savings plan. Every dollar you put in stays yours — it accumulates safely in your own isolated account until you are ready to travel.

When you book a trip, your piggy bank covers your mandatory All-Inclusive resort bracelet — the daily food and beverage package that unlocks unlimited dining and cocktails at the resort. Your money never cross-finances another member's account.

OPERATIONAL RULES

The Five Club Rules

These rules are not bureaucratic fine print — they are the structural backbone that keeps the cooperative fair, solvent, and enjoyable for every member.

1

The 10-Slot Registry Cap

The club is strictly limited to 10 active member accounts — no exceptions, ever. Membership is managed on a first-come, first-served basis. Once all 10 slots are filled, a chronological waitlist opens for future openings.

HARD CAP: 10 MEMBERS

The 1-Year Promise

Once you activate your slot, you commit to a mandatory 1-year term before you can exit or transfer your slot to someone on the waitlist. This protects the stability and financial integrity of the cooperative for everyone.

MANDATORY: 12-MONTH
COMMITMENT0
3

The Better Together Co-Travel Mandate

Solo travel is not permitted. To book a 3-night stay in a Studio suite, a minimum of 2 active club members must travel together. Sharing a room is what makes the math work — it's how 14 nights becomes 4+ group trips per year.

MINIMUM: 2 MEMBERS PER
BOOKING0
4

Pure Member-Only Restriction

Every single person in the room must be an active, paying club member. Outside guests, non-member family extensions, and children not on the membership roster are completely restricted from the rooms. No exceptions.

ALL OCCUPANTS MUST BE
ACTIVE MEMBERS0
5

Isolated Financials

Because every roommate is an active member, individual savings accounts never cross-finance each other. Your \$50/month piggy bank is used solely to cover your own mandatory All-Inclusive food and drink bracelets — your money is always yours.

MEMBER PRICING

All-Inclusive Bracelet Rate Matrix

These are the contracted wholesale rates per person, per night for the mandatory All-Inclusive food and beverage bracelet. These rates are exclusive to active club members and are not available to the general public.

SEASON	RATE / PERSON / NIGHT	NOTES
Low Season	\$104.00	Best value — quiet, peaceful resort experience
Spring Season	\$115.00	Ideal weather, vibrant atmosphere
Summer Season	\$127.00	Peak family travel — warm Caribbean waters
Winter Season	\$143.00	Escape the cold — warm sun guaranteed
Peak Holiday	\$152.00	Christmas, New Year & major holiday periods

Important: Rates are per person, per night and apply exclusively to active, paying club members. The All-Inclusive bracelet is mandatory for all room occupants and covers unlimited dining, cocktails, and resort beverages. Rates are subject to the contracted seasonal schedule and are not available to the general public.

■ **Wholesale vs. Retail:** The general public typically pays \$250–\$450+ per person per night for the same all-inclusive experience at this resort. Club members access the same world-class amenities at a fraction of that cost through the cooperative's contracted wholesale rate.
